

December Newsletter

Holiday greetings! Merry Christmas and Happy New Year from all of us at KDCR!

As I'm sure you have noticed, we officially made the switch to an exclusively Christmas music-based format during this special time of year. Christmas music on KDCR is an annual tradition, one we've been proud to continue essentially since our beginning back in 1968. Our switch to Christmas music and holiday programming started the day after Thanksgiving and, per usual, wraps up with a flurry of Christmas music and concerts on Christmas Day. We've found that traditions can be quite nice, especially during the holidays

During this holiday season, we ask that you prayerfully consider KDCR as we wrap up 2019. As a listener-supported radio station, we are critically supported through donations and gifts from generous listeners like you. KDCR couldn't serve this community and this region without your financial support. Your gifts subsidize our ministry and even provide paid work opportunities for Dordt University students interested in improving their communication skills or learning more about the broadcasting industry.

So, during this holiday season, we ask that you consider making a one-time or monthly-recurring gift to KDCR. For more information on how you can support KDCR, visit our website or feel free to reach out to any staffer at the station

From all of us at KDCR, thank you. Our 2019 saw a handful of adjustments and additions to our station and our programming. We've had students come and go, and we've seen the seasons change, but our mission will always remain the same.

God's blessings on you and yours this Christmas.
